GREAT SOUND AND LIGHT EQUESTRIAN SHOWS

Cavaland Park and its show troup consisting of 15 artists and 15 horses welcome you each month to enjoy our two great sound and light equestrian shows with a giant 22 meters wide projection screen and immersive animated 3D sceneries: *The Artist-Horse* and *EquiLibre*.

PRIVATE AND CORPORATE EVENTS

We create turnkey or custom made events for your corporate groups, weddings or celebrations. You can also rent the park of the heated theater for the day or the evening, or book dinner-shows, private demonstrations, workshops, conferences and team-building sessions with or what horses.

EQUESTRIAN CENTER

Cavaland Park will teach you horseriding no matter your level, all year long in our heated theater or in our trails, under the supervision of exceptional trainers (*Haute-Ecole*, dressage, side-saddle, liberty and every other discipline). Come your lessons, riding clinics, horse trails or horse boarding, and live the greatest experiences with horses in our top-range facilities, with horses of prestigious breeds and professional artists. You can benefit from our sport-study programs, or monthly clinics. We teach you equestrian arts or pedagogic ways following an ethological approach destined to all levels. Finally, we punctually offer equitherapy sessions because our philosophy, beyong riding horses, is to develop a bond with them.

Equestrian center opened yearly.
Amusement park opened on weekends during the summer.
Check the opening dates of the park and show times on lecheval.ca
